

NEW Walk for Life Weekend Experience

WALKER PLANNING GUIDE

SERVE WOMEN | SAVE LIVES WALK for LIFE

Since that infamous day of the Supreme Court's shameful display of injustice in 1973, the Church's walk for life has made great strides. That Court arbitrarily insisted that abortion is legal simply because they say, "the word 'person' does not apply to the unborn." If recent times tell us anything, it is that we have far to go in our struggle for a world where all people are protected in law and loved in deed. What must we do? "And let us consider how to stimulate one another to love and good deeds, not forsaking our own assembling together... but encouraging one another, and all the more as you see the day drawing near" (Heb. 10:24-25). CompassCare's NEW Walk for Life Weekend experience is a great way to realize this verse.

The weekend starts with a live, one-hour, Online Rally Friday, April 30 at 7:00 PM and culminates with an In-Person Walk on Saturday, May 1 at 9:00 AM. The goal of the Walk for Life is to serve 1,025 women in Buffalo and Rochester while continuing to expand services to cut abortion in other abortion hub cities in the nation's abortion capital – New York. To do this, together we must raise \$584,000 (it costs CompassCare \$570 to help one woman have her baby).

Despite legislative attacks on pro-life organizations in New York, despite the promises of the new ruling elite to further obscure the truth that all humans without qualification ought to be protected under the law, and even despite the COVID shutdowns, God blessed the Church's faithfulness, making 2020 CompassCare's most effective, life-saving year ever! Last year saw a 15% increase in babies saved (390) and a 35% increase in women submitting their lives to Jesus (191). Together, we will walk on for women and their preborn babies.

WALK *for* LIFE WEEKEND

How can you serve women and save lives at the Walk for Life?

STEP 1

COMMIT

Register as a pledge-raising Walker

- Register online (see instructions to the right) and/or use the paper pledge form
- Set a personal fundraising goal (it costs CompassCare \$570 to serve one woman)
- If you have walked in the past, strive to raise more than you did previously and be the first to give toward your goal

STEP 2

CONNECT

Ask family, friends, and coworkers to sponsor you

- Recruit sponsors face-to-face, over the phone, through email, and social media
- Use the paper pledge form to track those who sponsor you offline

A Simple Way to Ask for Sponsorship

"I am walking to serve women and save lives, would you be willing to help me reach my goal of \$_____?"

STEP 3

COLLABORATE

Invite others to join you

- Personally ask those close to you to consider walking with you
- Keep your sponsors informed of how close you are to reaching your goal
- Like, comment, and share CompassCare posts on Facebook, Twitter, and Instagram
