

Walker Email Script - Walker Asking Sponsors

Hello!

I hope this email finds you and your family well.

I am participating in the Walk for Life Weekend as a pledge-raising Walker. The Walk for Life does two things: 1) educates the community on the equal value of all people, 2) raises the resources needed to serve women and save lives at CompassCare.

I have a goal of raising \$_____ on behalf of women seriously considering abortion in our community. Would you be willing to consider sponsoring me?

Thank you so much for considering! I will follow-up with you soon to answer any questions.

Erasing the need with you,
[Your name]
